WHERE LEADING BRANDS LAUNCHED THEIR JOURNEY INTO SAUDI ARABIA'S EVOLVING WORKSPACE LANDSCAPE

The inaugural ORGATEC WORKSPACE Saudi Arabia, organized by dmg events in partnership with Koelnmesse, was officially inaugurated by Ajlan Saad Al-Ajlan, Vice Chairman of the Board of Directors at the Riyadh Chamber, whose presence underscored the Kingdom's growing commitment to advancing dynamic and future-focused work environments.

The event featured more than 100 exhibitors from 14 countries and welcomed thousands of local, regional, and international professionals. Exhibitors displayed cutting-edge workplace design, hybrid working solutions, and sustainable innovations across commercial offices, education, hospitality, healthcare, and transport hubs.

The exhibition's success in connecting suppliers and manufacturers with retailers, distributors and fit-out contractors paves the way for the workspace industry in Saudi Arabia.

ORGATEC WORKSPACE SUMMIT

The ORGATEC WORKSPACE Summit brought together influential thought leaders, industry experts, and innovators to explore the trends and technologies transforming our work environment.

From thought leaders in creativity and productivity to experts driving tech-driven solutions, attendees heard from inspiring voices leading the evolution of the modern workspace and reshaping how we work.

It was an unmissable opportunity to connect and engage with visionary speakers and be part of the conversation defining the future of the workplace.

FEATURING EXPERTS FROM LEADING COMPANIES

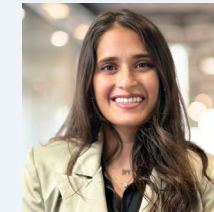

It was a pleasure to speak at the ORGATEC WORKSPACE Summit in Riyadh. The event created a strong platform for meaningful conversations around the future of workplaces, wellbeing, and sustainability. The audience engagement and quality of discussions made it a standout experience.
